Dear Clive,

I just felt I had to write to you personally to thank you and Computerisation for the work have done with me and the company. It is refreshing to deal with a company who are prepared to listen to what we wanted and then deliver the solution that fitted our needs – ClockInOut has exceeded these expectations.

We previously had problems with late and erroneous clocking throughout the business, but lacked a robust system to EASILY check.....ClockInOut quickly provided the solution we wanted.

Now with minimal effort by the whole team we have excellent attendance accuracy. Any minor teething problems were quickly and efficiently remedied, usually remotely, so the impact was minimal.

Thanks again for your help with moving our business forward.

I look forward to working with you in the fuure.

Kind regards,

Steve Hutchings
